Sound Film To Be Shown Tonight In Methodist Church

The film "The God of Creation" will be shown tonight in First Methodist church, and all are invited to attend, according to the Rev. Clyde E. Ruckman, pastor. The Rev. Ruckman said: "This is really a great sound film. It is not only a talking picture, but it is true to the Biblical statement and also to the discoveries of science. If you have seen this, remember, it is worth seeing again. There is no admission charge and so each person determines how much it will cost him. A free will offering will be taken. Tonight, Thursday, at 7:30 is the time."

LININGS GIVE FIRST

The phrase "brake linings are designed to wear out" is one that puzzles many motorists. Explanation lies in the fact that since something must wear when two surfaces come together the lining is chosen in preference to metal parts, which cost more.

FIRE HAZARD

Light snowfall and a shortage of rain last winter have created a serious fire hazard in California this fall. The countryside is extremely dry and a burning cigarette or match thrown from a passing car could easily destroy large areas of our valuable natural resources.
